True South Ceremonial Fold

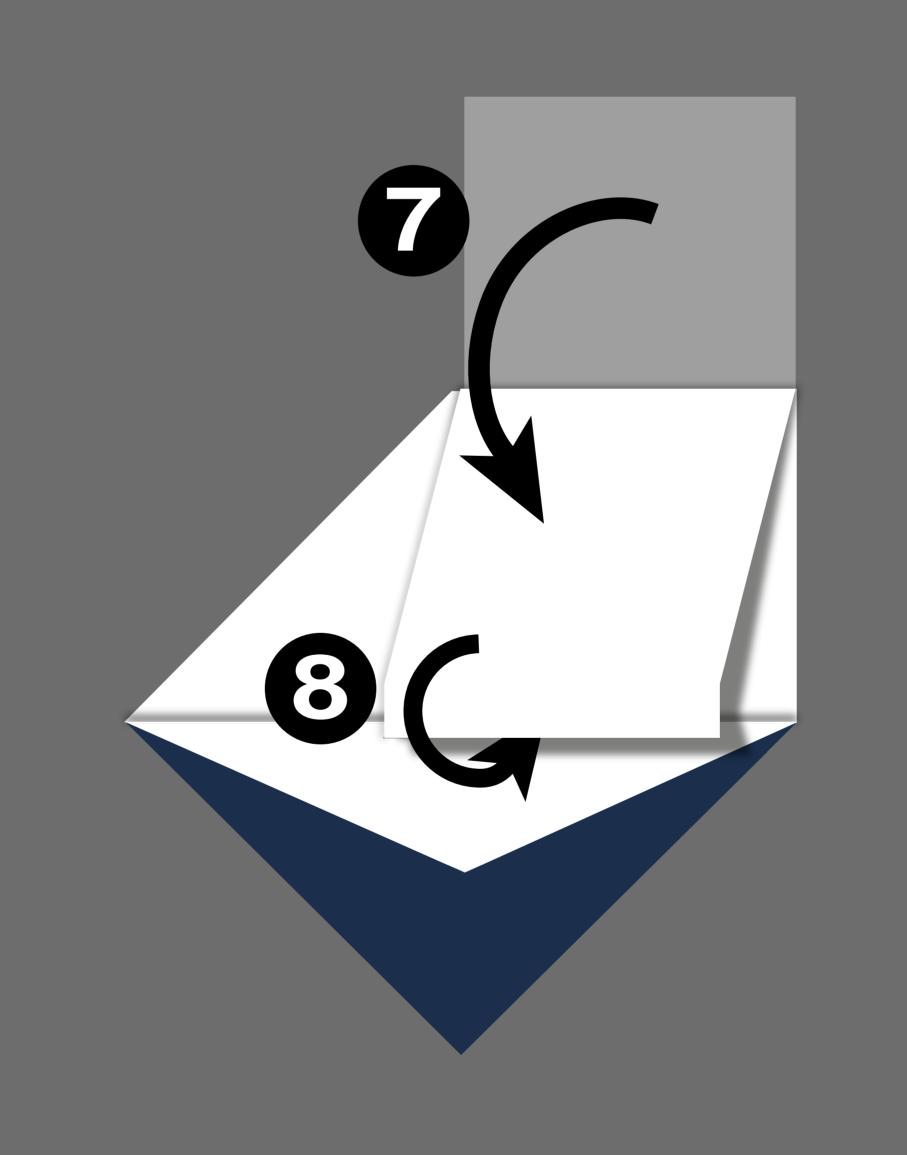

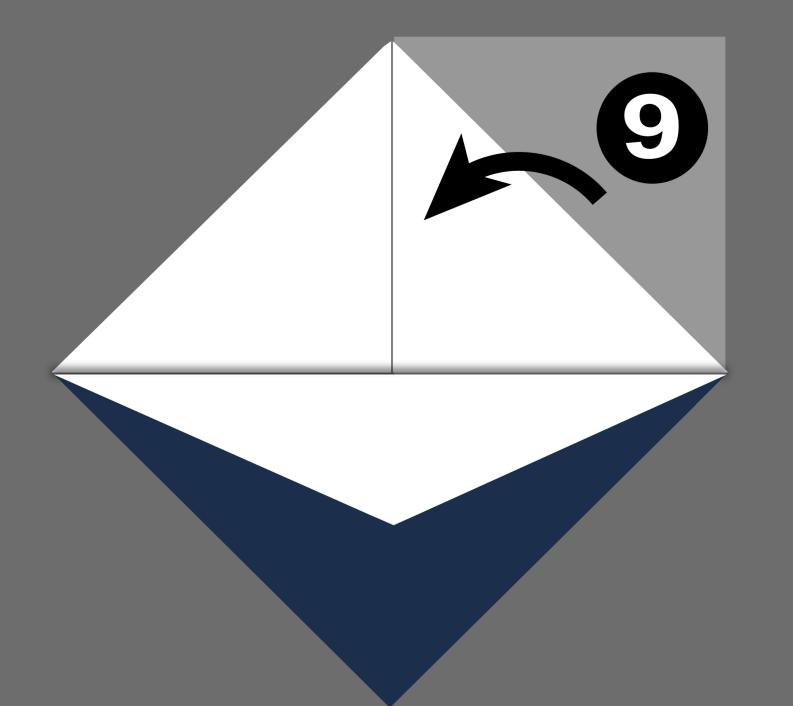

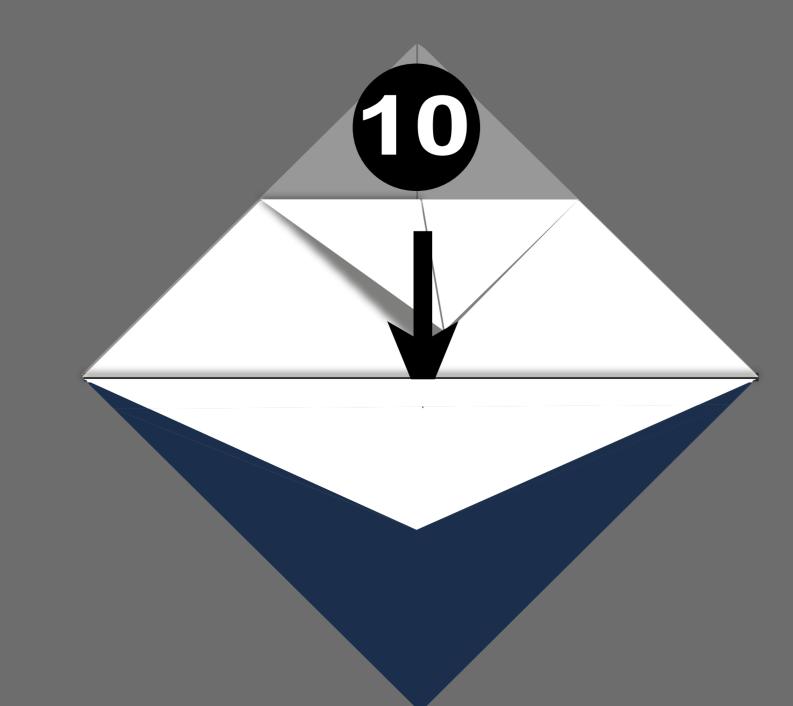

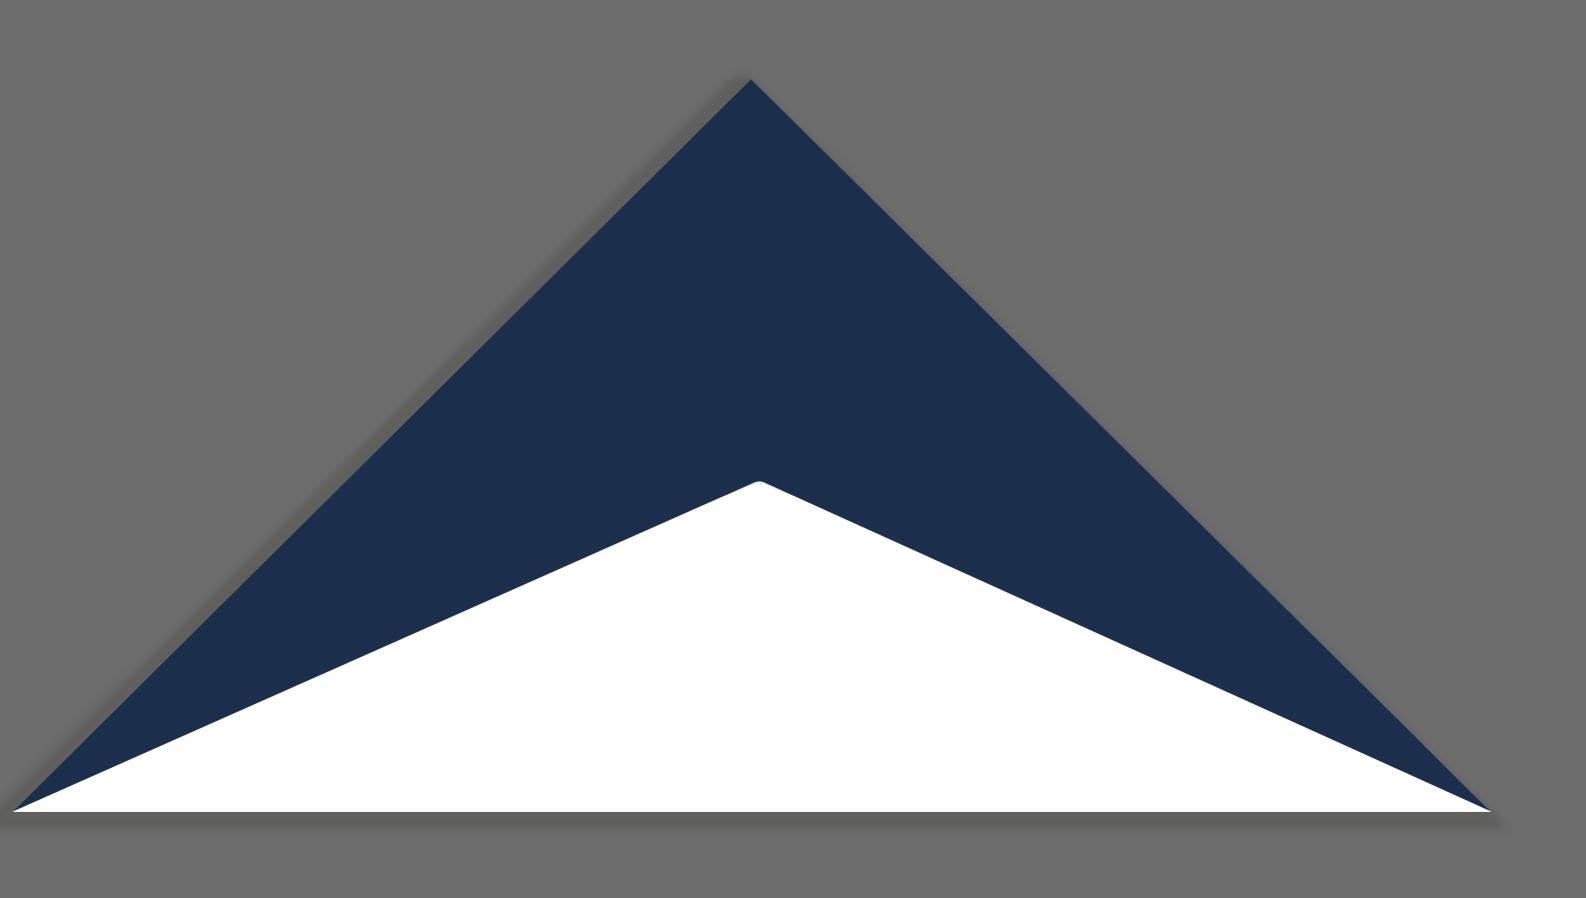

- 1 Fold in half lengthwise
- 2 Fold in half lengthwise again.
- 3 From the center, fold the hoist side under at 90 degrees.
- 4 Repeat with the fly side so the two sides are parallel and the triangle of the display section is formed.
- 5 Fold the hoist side over at 90 degrees again so it is aligned with parallel with the edge display section.
- 6 Fold the hoist side so that the hoist is flush with the center line.
- 7 Fold the fly side down at the point the fly side intersects it.
- 8 Tuck remaining fabric under the hoist side.
- 9 Fold the fly side at 90 degrees so the flag forms an equalateral diamond.
- Tuck the top half of the diamond inside the bottom half.
